(<https://en.nycu.edu.tw/>)

National Cheng Kung University

(<https://www.ncku.edu.tw/index.php?Lang=en>)

**Register here:** <https://reurl.cc/k1aOkL>

The banner features a dark orange background. On the left, a white rounded rectangle contains a list of topics: 'Overview of Taiwan University-Industry Collaborations in Semiconductor Industries', 'MOFA Scholarship for Talents from 3 countries in Eastern Europe' (with flags of Czech Republic, Hungary, and Slovakia), and 'Introduction of STEM Graduate Programs in 4 Universities' (with logos of National Taiwan University, National Cheng Kung University, National Tsing Hua University, and National Yang Ming Chiao Tung University). Below this, the date 'MAY 27 (FRI) 2022' is displayed in large orange letters, with times '13:00 East Europe (GMT+2)' and '19:00 Taiwan (GMT+8)' in smaller white text. On the right, a white figure in a full-body protective suit is shown holding a large blue rectangular object with yellow wavy lines above it, suggesting a hot or hazardous item. Below the figure is a QR code and a 'SIGN UP' button with a mouse cursor. At the bottom left, the 'Advisor' and 'Organizer' logos are shown, including the NTU-OIA logo.
