

Call for Mobility Project Proposals

Identification information

Partner country:	Serbia
Partner organization:	Serbian Academy of Sciences and Arts (SASA)
Programme:	Mobility
Period:	2025 – 2026

Legal framework

The call is based on Agreement on Scientific Cooperation of the year 2020 between the Slovak Academy of Sciences (hereinafter referred to as SAS) and the Serbian Academy of Sciences and Arts (hereinafter referred to as SASA).

Basic definitions

Objectives

- Improvement of scientific cooperation between both countries;
- Stimulation of involvement of young researchers and PhD students;
- Supporting research teams aspiring to cooperate on large international projects in the future;
- Enabling the use of methodology, infrastructure and equipment for the mutual benefit of both institutions.

Eligibility criteria

Project proposals from **all research fields** are accepted.

Maximum project duration is **2 years, i.e. 24 months**; extension beyond this period is not permitted.

Project proposals can be submitted:

- **On the Slovak side** by a [SAS institute or center](#)
- **On the Partner side** by a SASA institute or unit;

In case applicant submits more than one project proposal within one call, only one of them can be funded.

Research team

Each research team consists of:

- One principal investigator (senior or junior researcher);
- One or more co-investigators.

Research team members are divided into four categories:

- Senior researchers (5 or more years after receiving PhD);
- Junior researchers – postdocs (less than 5 years after receiving PhD);
- PhD students;
- Others (e.g. engineers, technicians).

- All members must be employees of the SAS institutes.
- Out of the whole team, at least 1/3 must be junior researchers or PhD students.

Financial provisions

Financial contributions must be calculated and provided in compliance with the valid national legislation and internal regulations of the partner organizations.

Up to 2 (two) two years mobility projects shall be selected for funding.

SAS funding regulations

- Financial contribution shall be provided by the SAS to the Slovak research team.
- The maximum financial contribution shall be **EUR 1,500** per mobility project per year.
- **Eligible costs:** mobility costs and research costs (consumables, services, small equipment).
- Max. 30% of the approved financial contribution can be used to cover research costs: consumables, services, small equipment.
- Non-eligible costs are: personnel, large equipment, overheads.
- There are no eligible indirect costs.
- The course of project implementation will be monitored through annual and final reports including use of financial means and justification of costs.

Project proposal submission

Project proposals must be submitted in parallel to both partner organizations.

On the Slovak side:

- Project proposals in English must be completed and submitted within the stated deadline exclusively via the Intranet online application.
- To submit a project proposal, log in to the SAS Intranet. Select Intranet standard rights - Calls of the Department of International Cooperation, Bilateral Mobility Call and fill in a project proposal. After finishing your proposal, you shall forward it through your Intranet account to the Director of your SAS Institute for its approval. The Director shall approve your proposal. Once the project proposal is approved by the Director, it will be automatically sent to OMS Úrad SAV (Department of International Cooperation, Office of the SAS) via his/her Intranet account. **Bear in mind that all project proposals must be submitted by the SAS Institute Directors by 10 June 2024.**
- Follow the attached instructions to submit your project proposal.

By submitting project proposal, the applicant:

- Agrees to processing of personal data within the meaning of the Act No. 18/2018 Coll., On Personal Data Protection, as amended;
- Declares that the information he/she stated is accurate, true and complete and that he/she is aware that if otherwise they will face all the legal consequences;
- Declares that, if approved, he/she will during the realization of the project follow:
 - The SAS Code of Ethics;
 - [The European Code of Conduct for Research Integrity](#) (Slovak translation avail

Evaluation and Selection

Consists of two-step process:

- At the national level, each partner organization evaluates submitted proposals based on its internal rules and prepares a ranking list.
- At the international level, both partner organizations exchange their ranking lists, merge them, negotiate the final ranking and approve the proposals selected for funding. Total number of projects approved for funding is dependent on the financial possibilities of both partner organizations.

Criteria for evaluation of project

- **Scientific and formal quality**
 - quality of project implementation (concept, approach, methodology, time schedule, outcomes)
 - state-of-the-art
 - innovation potential and perspective to broaden knowledge
 - expected mutual benefits for both research teams
 - potential of project results and its possible outreach
- **Quality of research teams:**
 - justification of collaboration needs
 - competence and qualification of research team members
 - level of involvement of junior researchers and PhD students
 - research teams' complementarity
